Maternal Stress Test

Having a baby can be a challenging adjustment and can sometimes bring up difficult feelings. To help us understand how you are feeling, please complete the survey on the back of this sheet. Please circle the number next to the statement that comes closest to how you have felt in the past seven days, not just how you are feeling today.

Many women who are pregnant or who have recently had a baby struggle with feeling worried or overwhelmed. For those who score 10 or higher on this survey, do we have your permission for a counselor to call and check in with you about how you are feeling? You may also contact a counselor directly by calling Maternal Outreach Mood Services at El Camino Hospital at (650) 988-8468.

☐ Yes, a counselor may contact me about the results of this test.

☐ No, I would prefer not to have a counselor contact me.
