A Continuing Medical Education Activity

Statement of Need

The ever-increasing amount of new biomedical information requires pediatric and family physicians to obtain comprehensive, up-to-date information on a wide range of clinical issues encountered in pediatric daily practice. The Popular Pediatric Clinical Topics 2019 will highlight recent advances in pediatrics presented by a variety of clinical faculty covering such topics as: evaluation of the limping child, injuries to the elbow, head trauma and concussion, neonatal fever, handling emergencies in the office, child behavior and psychiatry, management of eating disorders, contraceptive update, asthma management, child health advocacy and many more.

This course is presented in a mini-seminar format with cases, Q&A and time for interaction with the faculty.

Learning Objectives:

At the conclusion of this activity, participants should be able to:

- Develop a strategy to diagnose and treat or refer the child with a concussion to specialists.
- Consider the various contraceptive options for your adolescent patients seeking birth control.
- Increase your knowledge of the various types of childhood seizures in order to properly evaluate, diagnose and treat.
- Develop a treatment plan to treat a child with an eating disorder.
- Determine what is needed in your community in order to advocate for children's health.

Target Audience

This is a national program designed for: pediatricians, family practice physicians, nurse practitioners, nurses, and allied health professionals.

Information

Conference Location

Fairmont Kea Lani
4100 Wailea Alanui Drive
Maui, Hawaii
808-875-4100

Accommodations

Hotel Information

A limited block of rooms has been reserved at a reduced rate at the **Fairmont Kea Lani** for conference participants on a first-come, first-served basis and may sell out before **September 27, 2019**. After this date, reservations will be accepted on a space available basis and at regular resort rates.

Room Type	Room Rate
Fairmont Suites	\$249.00
Garden View Suites	\$279.00
Partial Ocean View Suites	\$319.00
Ocean View Suites	\$349.00
Deluxe Ocean View Suites	\$379.00

These rates are valid for a single or double occupancy and subject to the Transient Accommodation Tax of 10.25%, State Tax of 4.166% and Resort Fees of \$25 per night. Each extra person beyond double occupancy sharing a suite will be charged an additional \$50 per adult, per night. There will be no charge for children up to and including the age of 18 years who share with their parents. Maximum occupancy per suite is 2 adults/4 persons. Please note the hotel cannot guarantee specific suite numbers, specific suite location (tower or floor) or bedding type (king bed or two double beds).

The above rates are subject to the following mandatory charges: an additional \$12 (subject to change) per person plus applicable tax charge to cover roundtrip portage and \$3 (subject to change) per suite, per day plus all applicable tax charge and \$11 (subject to change) per villa, per day plus applicable tax charge for housekeeping services.

Room reservations should be made directly with the **Fairmont Kea Lani** and as early as possible by calling 800-441-1414. Please mention "Lucile Packard Children's Hospital Stanford" to receive the group rate. All reservations require a two (2) night deposit plus tax.

Conference Materials

The syllabus will be transmitted electronically prior to the course. Access to the materials will be emailed to all registrants two weeks before the conference for downloading or printing.

Cancellation and Refund Policy

Cancellations received in writing no less than 20 days before the course will be refunded, less a 20% administration fee. No refunds will be made on cancellations received after this date. Please send cancellation requests to lpchcme@stanfordchildrens.org. Stanford Children's Health reserves the right to cancel this program; in the event of cancellation, course fees will be fully refunded. We are not responsible for other costs incurred such as non-refundable airline tickets or hotel penalties.

Special Needs

Lucile Packard Children's Hospital Stanford is committed to making its activities accessible to all individuals. If you have needs that require special accommodations, including dietary concerns, please call the continuing medical education department at (650) 498-6757 before October 1, 2019.

Accreditation and Designation of Credits

The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Stanford University School of Medicine designates this live activity for a maximum of **16.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for **AMA PRA Category 1 Credits™ (rn.ca.gov)**. Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.
